Explanatory Note

This Registration Statement is being filed by Genius Group Limited (the "Registrant," "we," "us," "our" or similar terminology) relating to continuing issuances of ordinary shares which may be offered and sold pursuant to the Incentive Plans.

This Registration Statement includes a pool of an additional 20,000,000 shares under 2024 Incentive Plan which may be distributed to both affiliates and non-affiliates

in the future. Some of these shares constitute “control securities” which have been issued prior to or issuable after the filing of this Registration Statement. PART I

INFORMATION REQUIRED IN THE SECTION 10(a) PROSPECTUS

Item 1. Plan Information. The Company is registering a pool of an additional 20,000,000 ordinary shares under the 2024 Incentive Plan which may be distributed to both affiliates and non-affiliates in the future. Some of these shares constitute “control securities” which have been issued prior to or issuable after the filing of this Registration Statement. The purpose of the Incentive Plans is to provide ordinary shares to employees, officers and directors to the Company as a form of compensation and also to issue equity awards as possible incentives and for employee retention purposes. These plans are not subject to ERISA and are administered by the Company’s Compensation Committee. The Incentive Plans do not have a fixed term but may be terminated at any time by the Committee or the Company’s shareholders. The Incentive Plans contain clawback provisions consistent with the Company’s Clawback provision. The Incentive Plans are deemed qualified under Section 401 of the IRS Code to the extent applicable. Except with the prior written consent of the Company, no party may assign, transfer, charge or otherwise deal with any of its rights or obligations under this Agreement nor grant, declare, create or dispose of any right or interest in it. As the Company is a foreign private issuer incorporated in Singapore, each recipient hereunder is encouraged to reach out to their own advisors as to the tax effects of a grant to such recipient under the Incentive Plan in the jurisdiction(s) in which such recipient is subject to taxation.

CAUTIONARY NOTE REGARDING FORWARD-LOOKING STATEMENTS

This prospectus and the documents incorporated by reference herein contain forward-looking statements that reflect our current expectations and views of future events. The forward-looking statements are contained principally in the sections included or incorporated by reference herein entitled “Risk Factors” and “Management’s Discussion and Analysis of Financial Condition and Results of Operations.” Readers are cautioned that known and unknown risks, uncertainties and other factors, including those over which we may have no control and others listed in the “Risk Factors” section of this prospectus, may cause our actual results, performance or achievements to be materially different from those expressed or implied by the forward-looking statements.

You can identify some of these forward-looking statements by words or phrases such as “may,” “will,” “expect,” “anticipate,” “aim,” “estimate,” “intend,” “plan,” “believe,” “is/are likely to,” “potential,” “continue” or other similar expressions. We have based these forward-looking statements largely on our current expectations and projections about future events that we believe may affect our financial condition, results of operations, business strategy and financial needs. These forward-looking statements include statements relating to:

- our ability to compete in the highly competitive markets in which we operate, and potential adverse effects of this competition;

- our ability to maintain revenues if our products and services do not achieve and maintain broad market acceptance, or if we are unable to keep pace with or adapt to rapidly changing technology, evolving industry standards and changing regulatory requirements;
- uncertainty, downturns and changes in the markets we serve;
- our expectations regarding the size of the global education market, Edtech market and the various geographic and demographic markets that our group of companies serve;
- our competitiveness in the marketplace in relation to existing and new competitors in the marketplace;
- our commercialization strategy, including our plans to acquire education companies, to combine them in a global curriculum and Edtech platform, and to digitize and distribute our courses globally;
- our belief that we will be able to drive commercialization of our GeniusU Edtech platform through the growth of our AI, and technology development;
- our ability to integrate effectively our Pre-IPO Companies and IPO Acquisitions in order to expand their product range and improve their financial performance;
- the willingness of our Partners, Mentors and Students to adopt GeniusU as their Edtech platform of choice;
- our ability to effectively manage our anticipated growth;
- the timing, scope or likelihood of regulatory submissions, filings, approvals, authorizations or clearances;
- our ability to repay or service our debt obligations and meet the financial covenants related to such debt obligations;
- our ability to enforce our intellectual property rights and to operate our business without infringing, misappropriating, or otherwise violating the intellectual property rights and proprietary technology of third parties;
- our ability to develop effective internal controls over financial reporting;
- our ability to attract, motivate and retain qualified employees, including members of our senior management team;
- our expectations regarding the time during which we will be an emerging growth company under the Jumpstart Our Business Startups Act of 2012 (the “JOBS Act”) and a foreign private issuer;
- the future trading price of our Ordinary Shares and impact of securities analysts’ reports on these prices;
- our ability to fully derive anticipated benefits from existing or future acquisitions, joint ventures, investments or dispositions;
- exchange rate fluctuations and volatility in global currency markets;
- potential adverse tax consequences resulting from the international scope of our operations, corporate structure and financing structure; and
- increased risks resulting from our international operations.

These forward-looking statements involve numerous risks and uncertainties. Although we believe that our expectations expressed in these forward-looking statements are reasonable, our expectations may later be found to be incorrect. Our actual results of operations or the results of other matters that we anticipate could be materially different from our expectations. Important risks and factors that could cause our actual results to be materially different from our expectations are generally set forth in “Risk Factors,” “Management’s Discussion and Analysis of Financial Condition and Results of Operations,” “Business,” “Regulation” and other sections included or incorporated by reference in this prospectus. You should thoroughly read this prospectus and the documents incorporated herein by reference with the understanding that our actual future results may be materially different from and worse than what we expect. We qualify all of our forward-looking statements by these cautionary statements.

The forward-looking statements made in this prospectus relate only to events or information as of the date on which the statements are made in or incorporated by reference in this prospectus. Except as required by law, we undertake no obligation to update or revise publicly any forward-looking statements, whether as a result of new information, future events or otherwise, after the date on which the statements are made or to reflect the occurrence of unanticipated events. You should read this prospectus, the documents incorporated by reference into this prospectus and the documents we have filed as exhibits to the registration statement, of which this prospectus forms a part, completely and with the understanding that our actual future results may be materially different from what we expect.

ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS

Section 172 of the Singapore Companies Act prohibits a company from exempting or indemnifying its officers (including directors acting in an executive capacity) and similarly Section 208A of the Singapore Companies Act prohibits a company from exempting or indemnifying its auditors against any liability, which by law would otherwise attach to them for any negligence, default, breach of duty or breach of trust of which they may be guilty relating to us. However, a company is not prohibited from (a) purchasing and maintaining for any such individual insurance against any such liability, or (b) indemnifying such individual against any liability incurred by him in defending any proceedings, whether civil or criminal, in which judgment is given in his favor or in which he is acquitted, or in connection with any application under Section 76A(13) or 391 or any other provision of the Singapore Companies Act in which relief is granted to him by the court, (c) or indemnifying an officer against liability incurred by him or her to a person other than the company except in circumstances where such liability is for any criminal or regulatory fines or penalties, or where such liability is incurred in respect of (i) defending criminal proceedings in which he or she is convicted, (ii) defending civil proceedings commenced by the company or a related company against him in which judgment is given against him or (iii) in connection with an application for relief under section 76A(13) or section 391 of the Singapore Companies Act in which the court refuses to grant him relief.

Subject to the Singapore Companies Act and every other Singapore statute for the time being in force concerning companies and affecting us, our constitution provides that each of our directors and officers and those of our subsidiaries and affiliates shall be entitled to be indemnified by us or such subsidiary against any liability incurred by him or her arising out of or in connection with any acts, omissions or conduct, actual or alleged, by such individual acting in his or her capacity as either director, officer, secretary or employee of us or the relevant subsidiary, except to such extent as would not be permitted under applicable Singapore laws or which would otherwise result in such indemnity being void in accordance with the provisions of the Singapore Companies Act.

We may indemnify our directors and officers against costs, charges, fees, expenses and liabilities that may be incurred by any of them in defending any proceedings (whether civil or criminal) relating to anything done or omitted or alleged to be done or omitted by such person acting in his or her capacity as a director, officer or employee of our Company, in which judgment is given in his or her favor, or in which he or she is acquitted or in which the courts have granted relief pursuant to the provisions of the Singapore Companies Act or other applicable statutes, provided that such indemnity shall not extend to any liability which by law would otherwise attach to him or her in respect of any negligence, default, breach of duty or breach of trust in relation to our Company, or which would otherwise result in such indemnity being voided under applicable Singapore laws. No director or officer of our Company shall be liable for any acts, omissions, neglects, defaults or other conduct of any other director or officer, and to the extent permitted by Singapore law, our Company shall contribute to the amount paid or payable by a director or officer in such proportion as is appropriate to reflect the relative fault of such director or officer, taking into consideration any other relevant equitable considerations, including acts of other directors or officers and our Company, and the relative fault of such parties in respect thereof.

In addition, subject to the Singapore Companies Act and every other Singapore statute for the time being in force concerning companies and affecting our Company, no director, managing director or other officer shall be liable for the acts, receipts, neglects or defaults of any other director or officer, or for joining in any receipt or other act for conformity, or for any loss or expense incurred by us, through the insufficiency or deficiency of title to any property acquired by order of the directors for us or for the insufficiency or deficiency of any security upon which any of our moneys are invested or for any loss or damage arising from the bankruptcy, insolvency or tortious act of any person with whom any moneys, securities or effects are deposited, or any other loss, damage or misfortune which happens in the execution of his duties, unless the same happens through his own negligence, default, breach of duty or breach of trust.

We expect to maintain standard policies of insurance that provide coverage (1) to our directors and officers against loss rising from claims made by reason of breach of duty or other wrongful act and (2) to us with respect to indemnification payments that we may make to such directors and officers.

ITEM 9. UNDERTAKINGS

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933, as amended (the "Securities Act");

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement.

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, Paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) of this section do not apply if the registration statement is on Form S-3 and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act") that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act to any purchaser:

(i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date; or

(5) That, for the purpose of determining liability of the registrant under the Securities Act to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(b) The registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

(d) The registrant hereby undertakes that:

(1) For purposes of determining any liability under the Securities Act, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.

(2) For the purpose of determining any liability under the Securities Act, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Information required by Part I to be contained in the Section 10(a) Prospectus is omitted from the Registration Statement in accordance with Rule 428 under the Securities Act of 1933, as amended.

We also incorporate by reference any future filings (other than current reports furnished under Item 2.02 or Item 7.01 of Form 6-K and exhibits filed on such form that are related to such items unless such Form 6-K expressly provides to the contrary) made with the SEC pursuant to Sections 13(a), 13(c), 14 or 15(d) of the Exchange Act, until we file a post-effective amendment that indicates the termination of the offering of the securities made by this prospectus, which will become a part of this prospectus from the date that such documents are filed with the SEC. Information in such future filings updates and supplements the information provided in this prospectus. Any statements in any such future filings will automatically be deemed to modify and supersede any information in any document we previously filed with the SEC that is incorporated or deemed to be incorporated herein by reference to the extent that statements in the later-filed document modify or replace such earlier statements. Implementation of the PLAN will enable the Company to give recognition to the contributions made by such Group Employees. At the same time, it will give such Group Employees an opportunity to have a direct interest in the Company at no direct cost to its profitability and will also help to achieve the following positive objectives:

- (ii) a Performance Condition should be waived,

12

and shall notify the Participants of such change or waiver.

5.8 An Award or Released Award shall be personal to the Participant to whom it is granted and, prior to the allotment and/or transfer to the Participant of the Shares to which the Released Award relates, shall not be transferred (other than to a Participant's personal representative, on the death of that Participant), charged, assigned, pledged or otherwise disposed of, in whole or in part, except with the prior approval of the Committee and if a Participant shall do, suffer or permit any such act or thing as a result of which he would or might be deprived of any rights under an Award or Released Award without the prior approval of the Committee, that Award or Released Award shall immediately lapse.

6. Events Prior to the Vesting Date

6.1 An Award shall, to the extent not yet Released, immediately lapse without any claim whatsoever against the Company in the following events:

 - (i) ill health, injury or disability (in each case, evidenced to the satisfaction of the Committee);
 - (ii) redundancy;
 - (iii) retirement at or after the legal retirement age;
 - (iv) retirement before the legal retirement age with the consent of the Committee;
 - (v) the company by which he is employed ceasing to be a company within the Group or an Associated Company, as the case may be, or the undertaking or part of the undertaking of such company being transferred otherwise than to another company within the Group or to an Associated Company, as the case may be;

In exercising its discretion, the Committee will have regard to all circumstances on a case-by-case basis, including (but not limited to) the contributions made by the Participant, the proportion of the Vesting Period(s) which has (have) elapsed and, in the case of a Performance-related Award, the proportion of the Performance Period which has elapsed and the extent to which the Performance Condition(s) has (have) been satisfied.

6.3 Without prejudice to the provisions of Rule 5.7, if before the Vesting Date, any of the following occurs:

- (a) a compromise or arrangement proposed for the purposes of, or in connection with, a scheme for the reconstruction of the Company or its amalgamation with another company or companies being approved by shareholders of the Company and/or sanctioned by the court under the Act; or
- (b) an order being made or a resolution passed for the winding-up of the Company (other than as provided in Rule 6.1(a) or for amalgamation or reconstruction),

the Committee will consider, at its discretion, whether or not to Release any Award, and will take into account all circumstances on a case-by-case basis, including (but not limited to) the contributions made by the Participant. If the Committee decides to Release any Award, then in determining the number of Shares to be Vested in respect of such Award, the Committee will (if applicable) have regard to the proportion of the Vesting Period(s) which has (have) elapsed and, in the case of a Performance-related Award, the extent to which the Performance Condition(s) has (have) been satisfied. Where Awards are Released, the Committee will, as soon as practicable after the Awards have been Released, procure the allotment or transfer to each Participant of the number of Shares so determined, such allotment or transfer to be made in accordance with Rule 7. If the Committee so determines, the Release of Awards may be satisfied in cash as provided in Rule 7.

15

7. Performance Objectives/ Condition(s), Vesting of Awards, Release of Awards, Cash Rewards, Malus and Clawback Rights

7.1 Review of Performance Condition(s)

7.1.1 In relation to each Performance-related Award, the Committee shall, as soon as reasonably practicable after the end of the relevant Performance Period, review the Performance Condition(s) specified in respect of such Award and determine at its discretion:

- (a) whether a Performance Condition has been satisfied and if so, the extent to which it has been satisfied;
- (b) whether any other condition applicable to such Award has been satisfied; and
- (c) the number of Shares (if any) comprised in such Award to be Released to the relevant Participant.

7.1.2 The Committee shall have full discretion to determine whether any Performance Condition has been satisfied (whether fully or partially) or exceeded and in making any such determination, the Committee shall have the right to make reference to the audited results of the Company, the Group or an Associated Company (as the case may be) to take into account such factors as the Committee may determine to be relevant, such as changes in accounting methods, taxes and extraordinary events, and further (but without prejudice to the provisions of Rule 5.7), the right to amend any Performance Condition if the Committee decides that a changed performance target would be a fairer measure of performance. If the Committee determines, in its sole discretion, that the Performance Condition(s) and/or any other condition applicable to that Award has (have) not been satisfied (whether fully or partially) or (subject to Rule 6) if the relevant Participant has not continued to be a Group Employee or an Associated Company Employee (as the case may be) from the Award Date up to the end of the relevant Performance Period, that Award shall lapse and be of no value.

16

7.1.3 In relation to each Performance-related Award which is not subject to any Vesting Period, the Committee shall, subject to Rules 6, 7.1.1 and 7.1.2 and provided that the relevant Participant has continued to be a Group Employee or an Associated Company Employee (as the case may be) from the Award Date up to the end of the Performance Period, Release to that Participant the number of Shares determined by the Committee under Rule 7.1.1(c) on the Vesting Date relating thereto. Such part of an Award not Released shall lapse and be of no value.

7.1.4 In relation to a Performance-related Award which is subject to a Vesting Period or Vesting Periods, the provisions of Rule 7.2 shall apply to the Release of Shares in respect of such Award.

7.2 Vesting Period(s)

In relation to an Award which is subject to a Vesting Period or Vesting Periods, the Committee shall, subject to Rules 6, 7.1.1 (where applicable) and 7.1.2 (where applicable) and provided that the relevant Participant has continued to be a Group Employee, an Associated Company Employee or a Non-Executive Director (as the case may be) from the Award Date up to the end of the Performance Period (where applicable) and thereafter at the end of each Vesting Period and, in the opinion of the Committee where applicable, the job performance of the relevant Participant has been satisfactory, Release to the relevant Participant the relevant number of Shares in accordance with the Release Schedule specified in respect of that Award on the relevant Vesting Date(s).

7.3 No Vesting Period

In relation to an Award (other than a Performance-related Award) which is not subject to any Vesting Period, the Committee shall, subject to Rule 6, Release to the relevant Participant the relevant number of Shares on the Vesting Date relating thereto.

17

7.4 Release Letter

Where any Shares comprised in an Award are Released or to be Released to a Participant pursuant to Rule 7.1, Rule 7.2 or Rule 7.3, the Committee may, if it deems fit, send to that Participant a Release Letter specifying the number of Shares Released or to be Released to him pursuant thereto as soon as reasonably practicable after the Vesting Date or (if there is more than one Vesting Date) the first Vesting Date of that Award.

7.5 Delivery of Shares

The RSUs which are Released to a Participant pursuant to Rule 7.1, Rule 7.2 or Rule 7.3 shall be delivered on a Business Day falling as soon as practicable (as determined by the Committee) after the relevant Vesting Date by way of an allotment or transfer to the Participant of the relevant number of Shares (which may, in the case of a transfer of Shares and to the extent permitted by law, include Shares held by the Company as treasury shares). For avoidance of doubt, any RSUs so released and/or delivered are tradable, in respect of which the Participant may choose to sell the same (either by himself personally or by instructing the Company to do so on his behalf).

7.6 Ranking of Shares

New Shares allotted and issued, and existing Shares procured by the Company for transfer, pursuant to the Release of any Award shall:

(a) be subject to all the provisions of the Constitution; and

(b) rank in full for all entitlements, including dividends or other distributions declared or recommended in respect of the then existing Shares, the Record Date for which is on or after the relevant Vesting Date, and shall in all other respects rank *pari passu* with other existing Shares then in issue.

18

7.7 Cash Awards

The Committee may determine to make a Release of an Award, wholly or partly, in the form of cash rather than Shares which would otherwise have been Released to the Participant on the relevant Vesting Date, in which event the Company shall pay to the Participant as soon as practicable after such Vesting Date, in lieu of all or part of such Shares, the aggregate Market Value of such Shares on such Vesting Date.

7.8 Retention Period

If a Retention Period is specified in an Award, Shares which are allotted or transferred on the Release of an Award to a Participant shall not be transferred, charged, assigned, pledged or otherwise disposed of, in whole or in part, during such Retention Period, except to the extent set out in the Award Letter or with the prior approval of the Committee. The Company shall be at liberty to take any steps which it considers necessary or appropriate to enforce or give effect to the restriction on the transfer, charge, assignment, pledge or disposal of Shares during the Retention Period otherwise than in accordance with the Award Letter or as approved by the Committee.

7.9 Malus and Clawback Rights

7.9.1 The grant of each Award, each Release of Shares, and each payment in lieu of Shares which would otherwise have been Released to the Participant is subject to, and conditional upon, the Company's rights as set out in this Rule 7.9. For the avoidance of doubt, this Rule 7.9 (and the Company's rights thereunder) shall apply to every Award, without need for a reference to this Rule 7.9 in the Award Letter or for the Committee to decide that this Rule 7.9 shall apply (whether pursuant to Rule 5.4 or otherwise).

7.9.2 If the Committee in its sole and absolute discretion determines that any of the exceptional circumstances enumerated in Rule 7.9.3 has occurred in relation to a Participant, then:

(a) without prejudice to the provisions of Rule 6.1, the Committee may cancel all or part of any Award to the extent not yet Released to such Participant; and

19

(b) in respect of all the Shares which were Released to such Participant within the period of 6 years prior to the Clawback Determination Date ("**Clawback Period**") (and, for the purposes of this Rule 7.9, a Share shall be deemed to have been Released to such Participant if such Participant had received payment of cash in lieu of such Share pursuant to Rule 7.7) (such Shares Released during the Clawback Period, the "**Released Shares**"), the Company has the right ("**Clawback Right**") to compel or otherwise require a Participant to (and the Participant shall) pay to the Company such amount(s) as determined by the Committee ("**Recoverable Monies**") up to the aggregate of:

(i) in respect of such of the Released Shares in relation to which the Participant received cash in lieu, the aggregate payments received by such Participant in lieu of such Released Shares pursuant to Rule 7.7 prior to the Clawback Determination Date; and

(ii) in respect of all other Released Shares, the Release Value of all such Released Shares,

(ii) the quantum of the Recoverable Monies, which amount shall be due and payable to the Company in accordance with such notice;

(iii) the method of payment or transfer of the Recoverable Monies to the Company, and who shall bear the fees associated with such payment or transfer (if any);

(2) the amount referred to in sub-paragraph (1) above shall be the aggregate cash paid (prior to the Clawback Determination Date) to the relevant Participant pursuant to Rule 7.7 *simpliciter* and shall therefore not be adjusted for inflation, without prejudice to the interest payable by such Participant pursuant to Rule 7.9.4(a); and

22

(ii) Rule 7.9.2(b)(ii), the “**Release Value**” of the Released Shares means the aggregate of the respective amounts recorded in the Company’s records as the quantum of monetary benefit received by the relevant Participant by virtue of the Release of such Released Shares to such Participant.

(c) The Company may exercise its Clawback Right more than once, provided that the Recoverable Monies as determined by the Committee for the purposes of such subsequent exercise shall not include any amount which has been paid or which is payable to the Company pursuant to the Company’s previous exercise(s) of its Clawback Right in respect of the Released Shares which are the subject of such subsequent exercise.

(d) The Participant acknowledges and agrees that:

(i) the Participant shall have no right under any circumstances to recover any part of any amount which has been paid or transferred to the Company;

(ii) under no circumstances will the amount of money that is payable by the Participant to the Company pursuant to Rule 7.9.4 be reduced in any way; and

(iii) any part of the Recoverable Monies which the Participant has failed to pay or transfer to the Company in accordance with a notice issued by the Committee pursuant to Rule 7.9.4 shall, together with the interest accrued in accordance with such notice, be a debt due and payable by such Participant to the Company.

(e) The Participant shall not have any right of dispute, set-off, deduction or withholding against the Company. The Company, by contrast, shall have a right to set-off any sum or liability owed by the Company to the Participant, whether arising under the Plan or otherwise, and whether as damages or otherwise.

23

(f) The quantum of the Recoverable Monies shall be quoted and payable in US\$ or such other currency (and using such exchange rate) as may be determined by the Committee in its sole and absolute discretion.

7.9.5 (a) The Clawback Right, for the avoidance of doubt, is enforceable against all Participants, including Participants whose Awards have fully Vested and/or been Released, Participants who have ceased to be employed by a company within the Group or an Associated Company (as the case may be) and Participants who were Non-Executive Directors and who have ceased to be a director of a company within the Group or an Associated Company (as the case may be).

(b) The Clawback Right is in addition to, and without prejudice to, any right or remedy that the Company has vis-à-vis a Participant (whether under the Plan, contract, tort or any other theory of law).

9.1 If a variation in the ordinary share capital of the Company (whether by way of a bonus or rights issue, reduction, subdivision, consolidation, distribution or otherwise) shall take place or if the Company shall make a capital distribution or a declaration of a special dividend (whether in cash or in specie), then the Committee may, in its sole discretion, determine whether:

(a) the class and/or number of Shares which are the subject of an Award to the extent not yet Vested; and/or

24

(b) the class and/or number of Shares in respect of which future Awards may be granted under the Plan,

(a) any adjustment (except in relation to a bonus issue) must be confirmed in writing by the Auditor (acting only as an expert) to be in its opinion, fair and reasonable; and

(b) the adjustment must be made in such a way that a Participant will not receive a benefit that a holder of Shares does not receive.

9.3 Upon any adjustment required to be made pursuant to this Rule 9, the Company shall notify the Participant (or his duly appointed personal representatives where applicable) in writing and deliver to him (or his duly appointed personal representatives where applicable) a statement setting forth the class and/or number of Shares which are the subject of the adjusted Award. 1. We have acted as Singapore legal counsel to the Company in connection with the preparation of the Company's Registration Statement on Form S-8 (the "**Registration Statement**") being filed with the Securities and Exchange Commission under the Securities Act of 1933, as amended (the "**Securities Act**"). - a. the correctness of all facts stated in all documents submitted to us;

 - h. that the information disclosed by the searches on the Company against the electronic records of ACRA is true and complete, such information has not since then been materially altered, and the aforesaid searches did not fail to disclose any material information which has been delivered for filing but did not appear on the public file at the time of the searches;
 - i. that where a document has been submitted to us in draft form, it will be executed in the form of that draft;
 - j. the numbers of ordinary shares to be issued in respect of the 2024 RSU Shares (collectively referred to as the **"Registered Shares"**) are consistent and in accordance with the commercial intent and in compliance with the provisions of the 2024 Incentive Plan and the Resolutions;

 - m. the Registered Shares will be issued either (i) pursuant to the Shareholders' Resolutions obtained at the AGM before the conclusion of the next AGM of the Company subsequent to the date of this letter or the date by which the next AGM of the Company subsequent to the date of this letter is required by law to be held, whichever is the earlier (the **"Shareholders' Resolutions Expiration Date"**); or (ii) in the event that the Registered Shares are issued after the Shareholders' Resolutions Expiration Date, pursuant to a further approval of the Shareholders validly obtained pursuant to Section 161 of the Companies Act 1967 of Singapore.
6. Based upon and subject to the foregoing, and subject to any matters or documents not disclosed to us, we are of the opinion that the Registered Shares to be issued by the Company pursuant to the Shareholders' Resolutions obtained at the AGM referred to in Paragraph 5(m) above and, in the event that the Registered Shares are to be issued after the Shareholders' Resolutions Expiration Date, assuming that a further approval of the Shareholders is validly obtained pursuant to Section 161 of the Companies Act 1967 of Singapore, will be duly authorised by the Company for allotment, issuance and delivery thereof by the Company and, when allotted, issued and delivered by the

Company in accordance with and in compliance with the provisions of the 2024 Incentive Plan, the Registered Shares will be validly issued, fully paid and non-assessable.

7. For the purposes of this opinion, we have assumed that the term "non-assessable" in relation to the Registered Shares offered means under Singapore law that holders of such shares, having fully paid up all amounts due on such shares as to the issue price thereon, are under no further personal liability to contribute to the assets or liabilities of the Company in their capacities purely as holders of such shares.
8. This opinion relates only to the laws of general application of the Republic of Singapore as published at the date hereof and as currently applied by the courts of the Republic of Singapore, and is given on the basis that it will be governed by and construed in accordance with the laws of the Republic of Singapore. We have made no investigation of, and do not express or imply any views on, the laws of any country other than the Republic of Singapore. In respect of the Registration Statement, we have assumed due compliance with all matters concerning the laws of all other jurisdictions other than the Republic of Singapore.
9. We hold ourselves out as only having legal expertise and our statements in this letter are made only to the extent that a law firm practising Singapore law in the Republic of Singapore, having our role in connection with the filing of the Registration Statement, would reasonably be expected to have become aware of relevant facts and/or to have identified the implications of those facts.
10. Our opinion is strictly limited to the matters stated herein and is not to be read as extending by implication to any other matter in connection with the filing of the Registration Statement or otherwise including, but without limitation, any other document signed in connection with the same. Subject to the foregoing, we consent to the use of this opinion as an exhibit to the Registration Statement, and further consent to all references to us, if any, in the Registration Statement, and any amendments thereto. In giving such consent, we do not hereby admit that we are within the category of persons whose consent is required under Section 7 of the Securities Act or the rules or regulations promulgated thereunder.
